

# Traveling Trophy Rules 2009

1. Must ride to the chapter on motorcycle.
2. Must wear YOUR chapter colors or vest.
3. Must be 4 people & MUST produce a current GWRRRA card.
4. The chapter TRAVELING the FARTHEST distance captures the plaque. NOT the chapter with the most members, **the FARTHEST traveled.**

**Mileage from is calculated from visiting chapter's meeting place, not from their home, to chapter that has plaque. Please sign the back of trophy, plus e-mail me, Mike Buzick, [mjb71@grics.net](mailto:mjb71@grics.net) and Randy House, [rlhouse@comcast.net](mailto:rlhouse@comcast.net) , with the info as to who has it so that location can be posted on Chapter Z's website.**

I know in the past, these rules have been manipulated; we will try not to sway from these. Also, all hosting chapters that are in possession of plaque MUST have plaque at their next meeting and made available to visiting chapters to be captured.
